Onderwerp: EAIC: EU ETV webinar on 29 September 2021

Dear EAIC Members,

As you remember, at the last IC meeting in March, Izabela Ratman-Klosinska from the newly EC-established ETV Secretariat informed about the LIFEproETV project (www.lifeeproetv.eu) which, under its activities dedicated to ETV capacity building, were planning a series of webinars targeted at ABs setting up ETV relevant accreditation schemes and at organisations interested in becoming verification bodies.

Marek Wilgos (PCA) who is in close cooperation with I. Ratman-Klosinska is informing us that one EU ETV seminar is about to take place on **Wednesday 29 September 2021 from 10 to 12 am** (CEST).

All information on this seminar, including about registration, is available at:

[Build competitive advantage for your green innovation with EU ETV on 29 September | Eco-innovation Action Plan \(europa.eu\)](http://www.europa.eu)

Best regards.

Frédérique
